

★ CERTIFIED PROGRAM

CERTIFIED 5S AUDITOR PROGRAM

Build Workplace Organization, Safety & Operational Excellence Through Structured 5S Auditing

Government of India Certification · MSME-TDC, Chennai

1 PROGRAM OVERVIEW

The **Certified 5S Auditor Program** provides participants with a comprehensive understanding of 5S philosophy, implementation practices, and auditing principles used to improve workplace organization, safety, productivity, and operational efficiency.

Participants will learn how to:

- ✓ Implement 5S effectively in workplace environments
- ✓ Sustain visual workplace management systems
- ✓ Conduct structured 5S audits aligned with ISO 19011 auditing principles
- ✓ Understand organisation-level certification frameworks such as NPC India

The program is delivered through **LIVE interactive sessions** supported by structured learning materials and an **online certification examination**.

2 SYLLABUS

MODULE 1

Origin, Basics & Principles of 5S

Origin and Philosophy of 5S · 5S as the Foundation for Lean · 5S as the Foundation for Operational Excellence · Importance of 5S Across Work Environments · The Five Pillars (Seiri, Seiton, Seiso, Seiketsu, Shitsuke) · 5S as a Workplace Problem-Solving System

MODULE 2
